

# A letter from your teacher...

Hi everyone,

I hope that you are all well and enjoying the activities that Mrs Baxter and I have been putting on Google Classroom for you. It has been very strange to go into school and our classroom and to not see all your smiling faces and I will be very glad when we are all back together again.

I have been delighted to see all your lovely work on Google Classroom, especially your cupcakes and pizza baking. Your poems have been amazing and I have been very entertained with your videos of yourselves reading your poems. I hope that you are all able to access the activities we have given you but if you have any problems let me know.

I have been keeping busy teaching my son how to ride his bike, baking and I have been keeping fit going for long walks along the canal. I hope you have all been able to spend time outside in the fresh air with your families.

Please keep uploading photos of your work and let me know all the exciting things you have been doing at home. Take care of yourselves, be kind and helpful to your families and I hope to see you all very soon.

Love

Mrs Davies
