This Week's Information

Dear Parent and Carer,

Please find some information for week beginning **9th May 2023**. I hope you had another enjoyable Bank holiday weekend.

ESTYN Inspection – As per my letter on Friday our school will be inspected Monday May 15th – Thursday May 18th.

Parents are invited to meet with the inspection team at **3.45pm on Monday 15th May in the school hall**. **We would like as many parents as possible to attend. We will provide creche facilities for your children if you would like to attend the meeting. Just let the class teacher know at pick up time!**

Punctuality – classroom doors open at 8.50am. Gates at the turning circle and the side and back of the school open just before. Please ensure children are in class for a prompt 9.00am start. If you and your child arrive after 9.00am please ensure you report to Reception to sign your child in.

Pupil Voice Groups – Head Students and the CROESO team have been meeting and have reviewed and slightly amended pupil positive behaviour and relationships posters. Click [here](#).

Healthy Snacks – Please ensure only fruit and vegetables and water only are brought in to school for morning snacks. A useful leaflet for parents is available [here](#).

Nursery Workshop – The ‘helping your child in nursery’ workshop which was postponed during Spring term will now take place on Wednesday 10th May (9am for morning nursery & 1pm for afternoon nursery). Existing workshop presentations are available [here](#).

Attendance

Last Week...

SCHOOL ATTENDANCE MATTERS

- 100%**
 - not missing any lessons during term time. Present for all lessons activities and social time.
 - 95%**
 - missing in excess of two weeks of education. Absent from the classroom for up to three weeks and the loss of a significant amount of education.
 - Under 92%**
 - missing more than 3 weeks of education. A serious loss of learning which is likely to have a detrimental effect on your child's achievement and life chances.
- "Punctual and regular school attendance is an essential requirement for successful learning from the time a child starts school".

Well done to Mrs Drummond's class for last week! – 100%

REMINDER FOR PARENTS:

Don't let your child circulate flu, Covid and Strep A in school

Children with a fever should stay at home until they feel better.

A fever is a high temperature.

Flu vaccination is still available for all children from aged 2 up to and including school year 11. This is the best protection against the virus.
