

# A letter from your teacher...

Bore da Blywddyn Dau,

I am writing this letter to say how proud of my class I am. Not only have you all engaged so well online, you've kept me smiling with your work and with interaction to my comments. Thank you!

I hope you have been enjoying the activities that Mrs Beard and I have been setting you. Don't forget just try your best and if you find anything too hard, just leave a comment and I will reply. Think about how we would have done them in school together and what you would have used to help you. Don't forget our classroom motto 'Year Two always do their best!'

It has been so strange not being in class seeing all your little faces every day and I miss every single one of you so much! I've been trying to keep myself busy by training my dog (Lola). She has learnt high five now, which I am super proud of. I've also been exercising every day and even knocked a wall down! I think it's very important to stay healthy and also to try new things in this weird time.

I have missed watching football and I am sorry that the Liverpool fans in my class will have to wait a bit longer for their Premiership crowning. As an AC Milan fan, it has been good for my health not to watch them play for a while! I hope that you are all staying active doing your own thing, I know some days it is hard to be motivated but it really does give me a boost of energy. Remember to be kind to your family, everyone is going through this together, maybe ask your mums and dads if they need help with anything around the house. They will love that!

I am missing you all lots and I hope that we will be back together soon. I know that you will keep making me proud, and keep trying your best. I love seeing all the pictures of the amazing things that you are doing at home as well as your schoolwork, keep uploading them.

Big hugs from me,

Mr Nocivelli
