Parking issues around school

Dear Parent/Guardian,

Thank you for your continued support in helping us create a safe and welcoming environment for our school community. We are writing to ask for your support in helping us remain considerate and respectful neighbours within our local community.

We've recently received concerns about parking near the school, particularly along Cwm Cwddy Drive. When vehicles park in this area, they can unintentionally block residents' driveways and restrict access, which causes understandable frustration.

In addition, the volume of traffic and the areas where some parents are parking are putting children at risk. There have been several near misses reported. Cars parked on kerbs make it difficult for children to pass safely, forcing them to step into the road, which significantly increases the danger.

Please avoid parking on Cwm Cwddy Drive and other nearby residential access points. By doing so, we can maintain positive relationships with our neighbours and keep everyone's access clear and safe.

Where possible, we encourage families to walk to school. If you need to travel by car, please consider parking further away and walking the last part of the journey. Parking is available at the Fox Pub car park or in alternative areas a short walk from the school, which helps reduce congestion outside the gates.

Beyond our school gates, we have very little control or authority over parking. However, we kindly ask all parents to park away from the school entrance to keep children safe. We have also requested that PCSOs make regular visits at drop-off and pick-up times to support this effort.

Your cooperation makes a significant difference in keeping our school environment safe, respectful, neighbourly and welcoming for everyone. Thank you for your continued support and understanding.

Yours sincerely

Richard Cleaves
Deputy Headteacher
