Attendance

Last Week...

SCHOOL ATTENDANCE MATTERS

- 100%**
 - not missing any lessons during term time. Present for all lessons activities and social time.
 - 95%**
 - missing in excess of two weeks of education. Absent from the classroom for up to three weeks and the loss of a significant amount of education.
 - Under 92%**
 - missing more than 3 weeks of education. A serious loss of learning which is likely to have a detrimental effect on your child's achievement and life chances.
- "Punctual and regular school attendance is an essential requirement for successful learning from the time a child starts school".

Well done to Mr Hall's class for the last week of term.

REMINDER FOR PARENTS:

Don't let your child circulate flu, Covid and Strep A in school

Children with a fever should stay at home until they feel better.

A fever is a high temperature.

Flu vaccination is still available for all children from aged 2 up to and including school year 11. This is the best protection against the virus.
