- Time – analogue & digital(¼ hr)

- Making Indian & Mexican food
- Animals native to India & Mexico
- Environmental differences – Mexico & India
- Weather difference
- Chrome books
- Green Screen
- Digital Den
- iPads

Year 2 Parent Planner

Autumn Term 2026/27

Pentrepoeth Primary School

Our Parent Planner

Our bespoke 'Challenge' curriculum aims to ensure children have a wide range of teaching and learning experiences and activities to enable children to maximise their potential and to support the four purposes as the foundation of everything they learn. This parent planner aims to give you an overview of the main areas of learning and experiences children will focus on in this topic as well as develop and apply their literacy, numeracy and digital competence skills across the curriculum. The Children have used their 'Pupil Voice' to help plan the learning experiences that we will cover.

How you can help at home

- Encourage reading/ listening to stories everyday (Complete reading record once a week)
- Supporting Mathletics and Abacus – while also practising times tables
- Encourage use of maths in everyday situation eg money, telling the time
- Encourage your child to learn how to log into HWB using their account details.
- If you have an expertise in areas related to our topics and would like to come in and talk to the children please let us know.

Home Learning

- From time to time activities will be released on Seesaw for your child to complete.
- Reading material and questions are available to complete on Abacus at your own pace. (Usernames and passwords are on book bags)
- Maths activities are available on Mathletics to complete at your own pace. (Usernames and passwords are on book bags)
