Dear Parent / Guardian

Admission to Secondary School – September 2026

According to our records, you have not yet submitted an application to Newport City Council for your child's secondary school place in September 2026.

You may have applied to another Admission Authority (this includes St Joseph's RC High School) and if this is the case you only need to let us know and we will update our records accordingly.

If you do not make an application at all, or if you submit one after the closing date, you are less likely to be awarded a place in the school of your choice and your child may be prevented from taking part in any transition events.

To make an application now go to www.newport.gov.uk/schooladmissions by the closing date of 5pm on 31 October 2025.

If you don't have internet access at home a paper application form will be available upon request from the City Contact Centre on 01633 656656.

Please contact the School Admissions Team if you have any queries.

Yours faithfully,
School Admissions Team
