Attendance

Last Week...

SCHOOL ATTENDANCE MATTERS

100%

• not missing any lessons during term time.
Present for all lessons activities and social time

95%

• missing in excess of two weeks of education.
Absent from the classroom for up to three weeks and the loss of a significant amount of education

Under 92%

• missing more than 3 weeks of education.
A serious loss of learning which is likely to have a detrimental effect on your child's achievement and life chances

"Punctual and regular school attendance is an essential requirement for successful learning from the time a child starts school".

Well done to Mr Taylor's class for another winning week last week!

REMINDER FOR PARENTS:

Don't let your child circulate Flu, Covid and Strep A in school

Children with a fever should stay at home until they feel better.

A fever is a high temperature.

Flu vaccination is still available for all children from aged 2 up to and including school year 11. This is the best protection against the virus.
