

How to access learner feedback and progress on your child's personalised assessments

1. Use a Google search and search for 'Hwb'

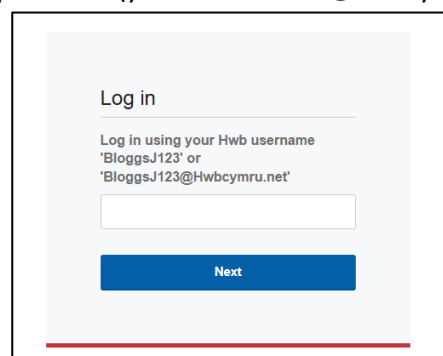

2. Click 'Log in' which can be found on the top right of the page

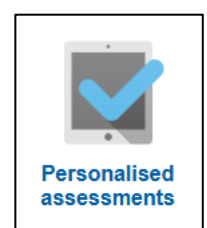

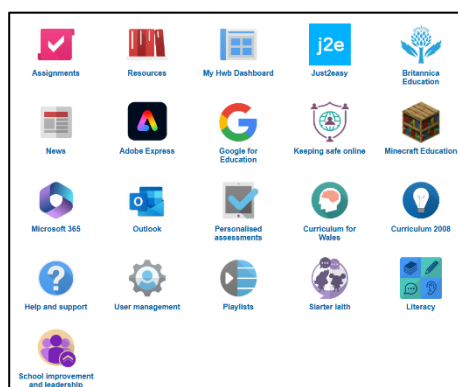

3. Ask your child to log into their Hwb account with username and password (you do not need @hwbcymru.net at the end)

e.g. Username – parkerp12

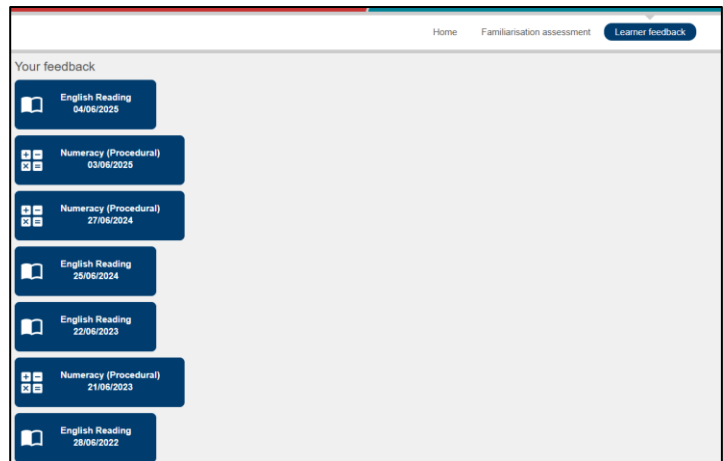

Password – Fire7627

4. Then click on the 'Personalised Assessment' icon

5. Click on 'Learner Feedback' and feedback can be viewed for the assessments by clicking on each assessment (Check the dates of the assessments and click on most recent)

6. Scroll down and underneath all feedback reports you will find 'Progress reports' for each of the latest assessments.

Please let class teachers know if you do not have your child's Hwb login details
