Spring Term 2021/22

SCIENCE AND TECHNOLOGY

Pentrepoeth Primary School

Our Parent Planner

Our bespoke 'Challenge' curriculum aims to ensure children have a wide range of teaching and learning experiences and activities to enable children to maximise their potential and to support the four purposes as the foundation of everything they learn. This parent planner aims to give you an overview of the main areas of learning and experiences children will focus on in this topic as well as develop and apply their literacy, numeracy and digital competence skills across the curriculum.

How you can help at home

- Encourage reading/ listening to stories everyday (Complete reading record once a week)
- Reinforcing spelling strategies with children (5 spelling words every fortnight)
- Supporting Mathletics and Abacus – while also practising times tables
- Encourage use of maths in everyday situation eg money, telling the time
- Encourage your child to use their Nesy account regularly.

Home Learning

- From time to time activities will be released on Google Classroom for your child to complete.
- Spellings will be set on Google Classroom once a fortnight.
