This Week's Information

Dear Families,

It has been another action-packed week at Pentrepoeth, with lots happening both in and beyond the classroom. We started the week with School Photo Day on Monday, giving everyone a chance to put on their best smiles! Thank you to families for helping the children arrive looking especially smart and ready for their photographs.

Our Year 6 pupils also led their Values Assembly this week, focusing on the important value of Peace. This was followed by a PACT activity, giving parents and carers the opportunity to join their children and explore the value together. These occasions are always a lovely way of strengthening the partnership between home and school, while encouraging children to think about how values such as peace, respect and kindness can be demonstrated in everyday life.

Tuesday evening brought lots of excitement with our PTA school discos. It was wonderful for the children to enjoy time with their friends, have fun and show us some impressive dance moves! Thanks to the PTA and to DJ Cleaves!! Meanwhile, Year 6 have also been learning beyond the school gates with their visit to Crucial Crew at Raglan Barracks, an opportunity to develop their awareness of personal safety and the wider responsibilities that come with becoming increasingly independent.

There was plenty of green around school today as we marked Dwarfism Awareness Day. Through class activities and assembly, pupils had the opportunity to learn about dwarfism and the importance of respecting and celebrating the differences that make each of us unique. Thank you to everyone who joined in and helped us promote such a positive message of inclusion, understanding and kindness.

And for more Green….our focus on pupil voice in this week's newsletter is the ECO team – take a look at what the team does!

Next half term, we look forward to welcoming student teachers into school and helping them take the next steps in their professional journey. We know our Pentrepoeth community will make them feel very welcome.

A reminder that Parent Consultation bookings are now live via the QR code or e mail link. We would encourage parents and carers to book their appointment so that we can share how the children have settled into the new school year, celebrate their progress and discuss the next steps in their learning.

Finally, school breaks up today for the autumn half-term holiday. After such a busy first half term, we hope all our children, families and staff enjoy a well-earned break. We look forward to welcoming everyone back to Pentrepoeth on Monday 2 November, refreshed and ready for another exciting half term
Best,

Dean Taylor
Headteacher
