# Attendance

Last Week...

## SCHOOL ATTENDANCE MATTERS

**100%**

• not missing any lessons during term time.  
Present for all lessons activities and social time

**95%**

• missing in excess of two weeks of education.  
Absent from the classroom for up to three weeks and the loss of a significant amount of education

**Under 92%**

• missing more than 3 weeks of education.  
A serious loss of learning which is likely to have a detrimental effect on your child's achievement and life chances

"Punctual and regular school attendance is an essential requirement for successful learning from the time a child starts school".

Well done to Mr Taylor's class!

## REMINDER FOR PARENTS:

**Don't let your child circulate flu, Covid and Strep A in school**

Children with a fever should stay at home until they feel better.

A fever is a high temperature.

Flu vaccination is still available for all children from aged 2 up to and including school year 11. This is the best protection against the virus.
