This Week's Information

Dear Families,

It has been another busy and enjoyable week at Pentrepoeth, and it has been wonderful to see our after-school clubs getting underway. It is so good to see so many children involved, trying different activities and making the most of the opportunities available to them. Since our original club lists were issued, School Choir has also been added to the programme, giving even more children the opportunity to get involved. A huge thank you must go to our fantastic staff who give up their own time so willingly and freely to run these clubs. Their enthusiasm, generosity and commitment make these opportunities possible, and we are extremely grateful for everything they do for our children.

Congratulations to the ECO Team and the whole school on renewing the ECO schools Platinum Award. I am very proud of all your effort and commitment. Well done!

This week, our school leaders have also been working collaboratively with colleagues from across the Bassaleg Cluster, alongside education consultant Matt Bromley, as we continue to sharpen and strengthen our teaching and learning strategies and techniques. We are delighted to be working with Matt on this exciting and innovative three-year project, providing valuable opportunities for our schools to work and learn together while continually improving the quality of teaching and learning for our children. We are very excited about the journey ahead and, of course, we will keep you informed!

Finally, we have plenty to look forward to over the coming weeks. Tomorrow, Saturday 26th September, the Urdd march takes place in Newport, with everyone meeting at John Frost Square at 10.30am. Our Harvest Festival will take place in school on Tuesday 29th September, followed by National Poetry Day on Thursday 1st October.

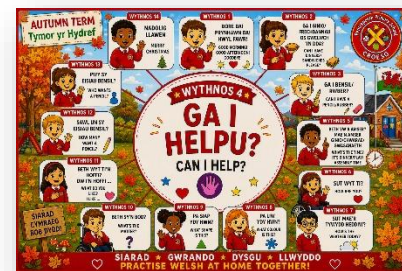

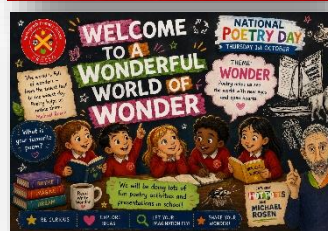

A reminder also that school will be closed to children on Friday 2nd October for INSET Day 1. Teachers will be using the day for professional learning focused specifically on developing writing skills, as we continue to strengthen teaching and learning across the school. Another busy and purposeful few weeks ahead!

I have also included our Welsh phrases of the week so that you can practise at home!

Diolch!

Have an enjoyable weekend,

Dean Taylor

Our planet,
our responsibility,
our future.

OUR AIMS

- To empower learners to make positive changes in their local environment/ community
- To promote the 5 R's across the school environment:

Recycle • Respect • Restore
Reduce • Reuse

**TOGETHER
WE CAN
MAKE A
DIFFERENCE!**

OUR ROLES

- Take the lead in carrying out an Environmental Review of the school environment, covering the following eight areas: Litter, Waste, Energy, Water, Transport, School Grounds, Healthy Living and Global Citizenship
- Create an action plan based on the Environmental Review
- Take the lead in delivering the Eco-Schools Action Plan
- Monitor and evaluate the action plan to ensure this is put into practice
- Ensure that the wider school and community is aware of the Eco-Schools programme and represented in the decision-making process by informing and involving
- To ensure that all children follow the Pentrepoeth Primary School Eco Code.

RECYCLE

Put waste in the right bin so it can be recycled.

RESPECT

Respect ourselves, others and our environment.

RESTORE

Look after nature and help our environment recover and thrive.

REDUCE

Use less so we can protect more.

REUSE

Use things again whenever we can.

THE 5 R'S – SMALL CHOICES, BIG DIFFERENCE!

★ A decade of dedication. A lifetime of impact. Thank you to our pupils, staff, families and wider community for championing environmental action for over ten years. We are proud. We are Pentrepoeth. We are Eco! ★

OUR ECO CODE

- ✓ We care for our planet.
- ✓ We make good choices.
- ✓ We work together.
- ✓ We are the change.

EVERY DAY, IN EVERY WAY!

RIGHT OF THE MONTH

SEPTEMBER

I HAVE THE RIGHT TO BE SAFE.

Every child has the right to be kept **safe** and **protected** from harm. ❤️

WHAT DOES THIS MEAN?

Everyone has the right to be **safe** at home, at school and in the community.

You should be **protected** from things that could hurt you or make you feel worried.

Adults should keep you **safe**, listen to you and help you if you are unhappy or scared.

You can speak to **someone you trust** if you need help. ❤️

THIS MEANS...

I feel safe at home.
I should be looked after and cared for.

I feel safe at school.
Adults help me and treat me with kindness.

I am **protected** from harm.
No one should hurt me, physically or emotionally.

My **feelings** matter.
I can talk about how I feel and ask for help.

I have the right to get help.
There are people who will listen and support me.

REMEMBER

You have the right to be **safe**.
If something doesn't feel right, tell a grown-up you trust. ❤️

NEED HELP?

Talk to a grown-up at school or at home. We are here for you!

DID YOU KNOW?

There are **54** articles in the UNCRC.
Each one helps to make the world a better place for children!

Your **rights**. • Your **voice**. • Your **future**.

Rights for today. Rights for life. ➡️

EVERYONE IS WELCOME IN OUR SCHOOL.
No one is the same, but everyone is equal.

WORKING TOGETHER, HELPING OUR CHILDREN THRIVE!

Our School Development Plan Priorities for 2026-27

At Pentrepoeth Primary School, we are committed to providing the very best education for every child.

♥ With your support at home, we can help every child learn, grow and achieve their very best. ♥

1 IMPROVE WRITING

You can help by:

- Encouraging your child to write daily – stories, lists, cards, journals or letters.
- Reading together every day and talking about the story, characters and language.
- Practising handwriting, spelling and punctuation in fun ways.
- Encouraging your child to use interesting words and expand their vocabulary.
- Praising effort and ideas – celebrate their writing, not just the result!

2 APPLY MATHS IN EVERYDAY SITUATIONS

You can help by:

- 123 • Counting together – steps, coins, cars, stairs, or items at the table.
- Using maths when shopping – compare prices, work out totals and change.
- Talking about time – read clocks, timetables and plan daily routines.
- Measuring and comparing – ingredients, weight, length, capacity.
- Playing maths games – cards, dice, dominoes, bingo or board games.

3 INCREASE SCIENCE INVESTIGATIONS AND INDEPENDENCE

You can help by:

- Encouraging curiosity – ask questions and explore answers together.
- Noticing science in everyday life – weather, plants, animals, forces, materials and more!
- Trying simple investigations at home – predict, test, observe and talk about results.
- Encouraging independence – let them plan, try things and solve problems.
- Reading non-fiction books and watching science programmes together.

4 IMPROVE PURPOSE, PITCH, PACE AND PROGRESS IN TEACHING

You can help by:

- Ensure your child attends school every day and arrives on time.
- Encourage them to listen, participate and do their best in every lesson.
- Support homework and encourage a quiet space for learning.
- Talk to your child about their learning – ask what they're proud of and what's next.
- Keep in touch with school – read updates, attend events and share any concerns.

Every little bit of support makes a **BIG** difference!

Thank you for being our partners in learning.

PTA NEWSLETTER

Welcome to Pentrepoeth PTA

Hello, and welcome to Pentrepoeth Primary School!

The PTA needs you! Our AGM is on Monday 28 September 2026. This is where the current committee steps down and a new committee is appointed. We are looking for new Chairman(s), Treasurer(s), secretary and committee members.

My name is Gemma, and I am currently Co-chair of the PTA.

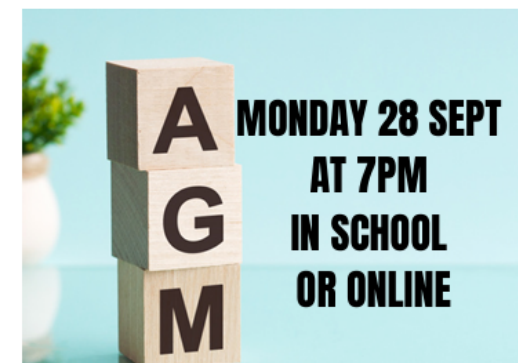

Our aim is to raise much-needed funds for the school, provide play and educational equipment for the children, and create a range of exciting, interactive experiences.

Our fundraising events give the children in our school fun and exciting experiences with their friends. Over the years, we have raised thousands of pounds, funding outdoor play equipment, animal interactive experiences, sports equipment, Year 6 hoodies and leaving parties, breakfast club items, and much, much more.

To continue supporting our children, the school, and the wider school community, we need new volunteers to keep this fantastic PTA going.

Whether you would like to join the committee or be part of our wider helpers group, we would love to have you on board! If you are interested, please reach out via email at Pentrepoethpta@gmail.com or connect with us on social media. If you have any questions, please feel free to get in touch.

We need you! Your time and energy can make a huge difference. If you are able to help, please join the PTA.

PTA AGM

Monday 28 September 2026 at 7pm
- in the School or online.

REASONS TO JOIN

- 1 For the children : Show your children that you want to help improve and enhance their time in school
- 2 For yourself : Volunteering is a rewarding experience
- 3 For the school : help the school raise funds and have a voice in what purchases are made
- 4 Be connected : Keep in the loop, meet staff and other parents with the common goal of supporting the school
- 5 Keep the PTA going : as parents leave the school we need new members to keep it going

PLEASE CONTACT US TO PUT YOUR NAME FORWARD
FOR A COMMITTEE ROLE BEFORE THE AGM VIA OUR
SOCIAL MEDIA PAGES OR EMAIL
