# Attendance

Last Term...

## SCHOOL ATTENDANCE MATTERS

- 100%**
  - not missing any lessons during term time. Present for all lessons activities and social time.
- 95%**
  - missing in excess of two weeks of education. Absent from the classroom for up to three weeks and the loss of a significant amount of education.
- Under 92%**
  - missing more than 3 weeks of education. A serious loss of learning which is likely to have a detrimental effect on your child's achievement and life chances.

"Punctual and regular school attendance is an essential requirement for successful learning from the time a child starts school".

Well done to Mr Nocivelli's class again last week with 98.7% attendance.

Fantastic effort!
